Cultivating Skills Through Sensory Play: Brain Development and Sensory Learning

A free parent education workshop

This workshop will address current research about brain development and the relationship between a child's sensory experiences and his or her ability to respond appropriately to social, environmental, and academic demands.

Wed., October 8, 2014

7:00-8:30 PM

Learning Circle Preschool

3 Blue Hill River Road

Canton, MA

Priscilla Hayden-Sloane is an Occupational Therapist with over 30 years of experience working in a wide variety of clinical, school, and home care settings. She currently provides evaluation, consultation, and support services to the Norwood Public Schools in Norwood, MA as a member of the Early Childhood Assessment Team. Priscilla has provided educational programs for parents, teachers and clinical professionals and looks forward to sharing ideas with you.

Call 781-828-4800 for more information.

Although advanced registration is not required, calling ahead will assist with planning and assure that you will receive handouts.
