Do you wonder if your child is ready academically, socially, or emotionally? Would you like to learn what you can do to make the transition easier for your child and your family?

Join us for a roundtable discussion—Kindergarten is a big step in your child's life, so we're here to lay the groundwork and help you prepare. Facilitators will be:

Beth Greenawalt, Parent Coach and founder of
www.Parent-Solutions.com

Susan L. Dolan, Director of Milton Early Childhood Alliance

All participants will receive helpful hints, a list of children's book titles about kindergarten, and activities to help with language, fine motor, gross motor, kindergarten readiness, and self help skills.

MECA is administered by Discovery Schoolhouse, Inc. and is funded through a grant from the Massachusetts Department of Early Education and Care.

We gratefully acknowledge the First Congregational Church for their generous support of our office space.
