July 13, 2018

July 27, 2018

August 10, 2018

August 24, 2018

Drop in any time between 10:00 AM and 12:00 PM

To Be Held at:

Milton Public Library, Children's Story Room
476 Canton Ave., Milton

- Come spend some fun, one-on-one time with your child while enjoying terrific **science, engineering, technology, and math** activities!
- Free Play Fridays is a Library program where families are invited to enjoy activities together. There will be a variety of different STEM activities each visit.
- Information on STEM activities will be available to take home.
- Registration is NOT required – just sign-in upon arrival.

For more information about this or our many other programs, please visit our website at www.miltonearlychildhoodalliance.org or...
